

CREATIVE CANDLES FACT SHEET

About Creative Candles

Creative Candles is a manufacturer of handcrafted high quality candles. Channels of distribution include retail stores, florists, event planners, and the internet.

Our Products

We make beautiful candles of exceptional quality and performance. Time, effort, and care go into all Creative Candles products. Our trained artisans handcraft each candle in small batches to ensure quality and integrity. We believe quality not quantity should be the benchmark. Our candles are crafted from the finest blend of waxes combined perfectly to create exceptionally performing candles. We offer a variety of candles for most styles and occasions.
